

Early Learning Songs 2

CRCD0703-22

I'd like to teach the world to sing

I'd like to build the world a home
And furnish it with love
Grow apple trees and honey bees
And snow-white turtle doves.
I'd like to teach the world to sing
In perfect harmony
I'd like to hold it in my arms
And keep it company
I'd like to see the world for once
Al standing hand in hand
And hear them echo through the hills
For peace throughout the land

Hanukah

Hanukah, Hanukah, festival of light
Candles burn, tops spin round
Time of great delight
Hanukah, Hanukah, let us dance and sing
Candles burn, guests come in,
Presents they will bring.

The tidy song

What will you do today to keep the playground tidy?
Come along, surprise me: what'll you do today?
I'll pick up a sweetie paper if it's lying on the ground
And I'll put it very tidily away.

What will you do today to keep the park tidy?
Come along, surprise me: what'll you do today?
I'll pick up a beer can if it's lying on the grass
And I'll put it very tidily away.

What will you do today to keep your bedroom tidy?
Come along, surprise me: what'll you do today?
I'll pick up my slippers that are underneath my bed
And I'll put them very tidily away.

Sing a song of people

Sing a song, sing a song of people,
Sing a song, walking fast or slow;
Sing a song, sing a song of people,
People in the city, up and down they go.

People on the pavement, people on the bus,
People passing, passing in back and front of us;
People on the tube train, underneath the ground,
People riding taxis, round and round and round.

Sing a song, sing a song of people.....

People with their hats on going in the doors,
People with umbrellas, when it rains and pours;
People in tall buildings and in stores below,
Riding on escalators, up and down they go.

Sing a song, sing a song of people.....

People walking singly, people in a crowd,
People saying nothing, people talking loud;
People laughing, smiling, grumpy people too,
People who just hurry and never look at you

Sing a song, sing a song of people,
Sing of those who like to come and go.
Sing a song, sing of city people,
All the people that you see and never know!

Pioneers must work every day, from dawn till day is done
From dawn till day is done, there is work for everyone
Zum gali gali gali, zum gali gali, zum gali gali gali zum

Dance the hora in a ring, with their best girls dance and sing

From dawn till day is done, true peace for everyone.

Zum gali gali gali, zum gali gali, zum gali gali gali zum

Helping Grandma Jones

Grandma Jones is rather old,
She isn't very strong.
She wraps up warm against the cold
When winter comes along

Tell us how we can help you, Grandma Jones?
Have you some jobs we can do, Grandma Jones?

Grandma Jones lives in a flat,
We help her up the stairs.
We sweep the floor, we brush the mat,
To show that someone cares.

Tell us how we can help you....

Grandma Jones can't walk too fast
When we go to the shop.
We always get her home at last,
Although we often stop.

Tell us how we can help you....
She's very fond of girls and boys,
Her face is always kind.
Although we sometimes make a noise,
She never seems to mind.

Tell us how we can help you....

The world is big, the world is small

Oh the world is big and the world is small,
So there's lots of room for the short and the tall.
Oh the world is far and the world is wide,
But there are many different ways to see the other side.

You can travel on a boat
You can travel on a plane
You can travel in a dance
You can travel in a game

You can travel on a bus
You can travel on a train
You can travel in a song
You can travel in a name

Diwali is here

Diwali is here, Diwali is here
Happiness arrives, Happiness arrives
Diwas lighted in every house
Rangoli patterns in every house

Diwali is here, Diwali is here
Happiness arrives, Happiness arrives
Decorations on every door
Tiny stars are shining bright

Diwali is here, Diwali is here
Happiness arrives, Happiness arrives
Crick crack crick crack crackers crack
Mummy brings us lovely toys

Diwali is here, Diwali is here
Happiness arrives, Happiness arrives

Bananas in Pyjamas

Bananas in Pyjamas are coming down the stairs
Bananas in Pyjamas are coming down in pairs
Bananas in Pyjamas are chasing teddy bears
'Cos on Tuesdays they all try to catch them unawares

Lily the Pink

We'll drink a drink, a drink
To Lily the pink, the pink, the pink,
The saviour of the human race.
For she invented medicinal compound,
Most efficacious in every case.

Mister Flears had sticking-out ears
And it made him awful shy.
And so they gave him
Medicinal compound;
Now he's learning how to fly.

Brother Tony was know to be bony
He would never eat his meals.
And so they gave him
Medicinal compound
Now they move him round on wheels

Johnny Hammer had a terrible stammer
He could hardly say a word
And so they gave him
Medicinal compound
Now he's seen, but never heard.

There was an old witch

There was an old witch
Believe it if you can,
She tapped on the window
And she ran, ran, ran.
She ran helter skelter,
With her toes in the air,
Cornstalks flying from the old witch's hair.

'Swish' goes the borrmstick
'Meow' goes the cat
'Plop' goes the hop-toad
Sitting on her hat.
'Wee' chuckled I
'What fun, fun, fun!'
Hallowe'en night
When the witches run.

You can't keep a horse in a lighthouse

You can't keep a horse in a lighthouse, it isn't a home for Old Ned
A horse's place is on dry land, He'll never keep healthy on sea-foam and sand.
Oh, you can let him graze in a garage if you give him his meals on a tray.
But you can't keep a horse in a lighthouse, Neigh! Neigh! Neigh!

You can't keep a horse in a lighthouse, it isn't a home for Old Ned
A horse's place is on dry land, He'll never keep healthy on sea-foam and sand.
Oh, you can trot him round the allotment for the get-fit campaign every day
But you can't keep a horse in a lighthouse, Neigh! Neigh! Neigh!

There was a Princess

There was a Princess long ago, long ago, long ago
There was a Princess long ago., long ago.

And she lived in a big high tower, big high tower, big high tower
And she lived in a big high tower, big high tower.

One day a bad queen cast a spell.....

The Princess slept for a hundred years...

A great big forest grew around....

A gallant Prince came riding by....

He cut the trees down with his sword....

He took her hand to wake her up....

So everybody's happy now.....

Mr Nobody

I know a funny little man
As quiet as a mouse
He does the mischief that is done
In everybody's house
Though no one ever sees his face
Yet one and all agree
That every plate we break was cracked
By Mister Nobody

He puts damp wood on the fire
That kettles will not boil
His are the feet that bring in mud
And all the carpets soil
The papers that so oft are lost
Who had them last but he?
There's no one tosses them about
But Mister Nobody

The finger-marks upon the door
By none of us were made
We never leave the blinds unclosed
To let the curtains fade
We never spill the ink
And all the boots around you see
Are not our boots, they all belong
To Mister Nobody!

One-eyed Jack and Peg-leg Pete
One-eyed Jack the Pirate
Flew his black flag high
He was a pirate brave and bold
Kept his treasure in his hold
It was filled with stolen gold
And he'd only got one eye, he'd only got one eye.

Peg-leg Pete the Pirate
Plundered ships at sea
Kept on firing till they sank
Made the sailors walk the plank
Rum and gin were all he drank
And he'd only got one knee, he'd only got one knee.

Peg-leg Pete the Pirate
Fought with One-eyed Jack
They fell into the foaming sea
A great big whale they didn't see
And that's the end of our story
For neither could get back, no, neither could get back.

There was an old lady

There was an old lady who swallowed a fly, she swallowed a fly I don't know why,
I hope she don't die!
There was an old lady who swallowed a spider that wriggled and wiggled and jiggled inside her,
She swallowed the spider to catch the fly, she swallowed the fly I don't know why,
I hope she don't die!

There was an old lady who swallowed a bird, she swallowed a bird now have you heard,
She swallowed the bird to catch the spider, that wriggled and wiggled and jiggled inside her,
She swallowed the spider to catch the fly, she swallowed the fly I don't know why,
I hope she don't die!

There was an old lady that swallowed a cat, she swallowed a cat, imagine that!
She swallowed the cat to catch the bird, she swallowed the bird to catch the spider,
That wriggled and wiggled and jiggled inside her,
She swallowed the spider to catch the fly, she swallowed the fly I don't know why
I hope she don't die!

There was an old lady who swallowed a dog, she swallowed a dog as big as a hog,
She swallowed the dog to catch the cat, she swallowed the cat to catch the bird,
She swallowed the bird to catch the spider, that wriggled and wiggled and jiggled inside her,
She swallowed the spider to catch the fly, she swallowed the fly I don't know why
I hope she don't die!

There was an old lady who swallowed a cow, she swallowed a cow I don't know how,
She swallowed the cow to catch the dog, she swallowed the dog to catch the cat,
She swallowed the cat to catch the bird, she swallowed the bird to catch the spider,
That wriggled and wiggled and jiggled inside her, she swallowed the spider to catch the fly,
She swallowed the fly I don't know why,
I hope she don't die!

There was an old lady who swallowed a horse.....she's dead of course!!

Puff the magic dragon

Puff the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honalee
Little Jackie Paper loved that rascal Puff
And brought him strings and sealing-wax and other fancy stuff.

Puff the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honalee
Puff the magic dragon lived by the sea
And frolicked in the autumn mist in a land called Honalee

Together they would travel on a boat with billowed sail
Jackie kept a look-out, perched on Puff's gigantic tail
Noble Kings and Princes would bow whene'er they came
Pirate ships would lower their flags when Puff roared out his name.

Puff the magic dragon.....

A dragon lives for ever, but not so little boys
Painted wings and giants' rings make way for other toys
One grey night it happened - Jackie Paper came no more
And Puff the mighty dragon he ceased his fearless roar.
His head was bent in sorrow, green scales fell like rain
Puff no longer went to play along the cherry lane
Without his lifelong friend Puff could not be brave
So Puff that mighty dragon sadly slipped into his cave.

Puff the magic dragon.....

When you're smiling

When you're smiling when you're smiling
The whole world smiles with you
When you're laughing, when you're laughing
The sun comes shining through

But when you're crying you bring on the rain
So stop your frowning be happy again
When you're smiling, when you're smiling
The whole world smiles with you

Try again

Have you seen the little spider in the corner?
She will spin and she will weave and she will fall
The thread is thin and breaks, but however long it takes
She will hang her shiny web upon the wall.

So I'll imitate the spider in the corner
If at first I don't succeed I'll try again
Though the way is very long, I will say, when things go wrong
If I try, I'm bound to get there in the end

Think about the salmon from the ocean
They must swim against the tide and stand the test
Leaping rocks and waterfalls, through streams and icy pools
Till, in gentle rivers they can take their rest.

So I'll imitate the salmon from the ocean.....

Remember, too, the swallows in the sunshine
Halfway round the world they have to fly
Blown by stormy winds and rain. But they'll do it all again
To soar and swoop into a blue summer sky.

So I'll imitate the swallow in the sunshine.....

Sing

Sing, sing a song,
Sing out loud, sing out strong
Sing of good things, not bad, sing of happy, not sad.
Sing, sing a song,
Make it simple, to last your whole life long
Don't worry that it's not good enough for anyone else to hear
Just sing, sing a song.

Sing, sing a song
Let the world sing along
Sing of love there could be
Sing for you and for me.
Sing, sing a song
Make it simple to last your whole life long
Don't worry that it's not good enough for anyone else to hear
Just sing, sing a song.

Sniff sniff here,
Sniff sniff there,
Sniff sniff sniff sniff everywhere

I've got a body...

Here we go round the mulberry bush

Here we go round the mulberry bush, the mulberry bush, the mulberry bush
Here we go round the mulberry bush on a cold and frosty morning

This the way we clap our hands.....etc

Hair

Hair can be short, hair can be long
It can be fine or thick and strong
It can be curly framing your face
It can be smooth or all over the place

Hair grows slowly, takes it's time
Takes it's time, takes it's time
Hair grows slowly, takes it's time
You can never rush it, no matter how you brush it.

Hair can be yellow, hair can be brown
Tied up in bunches, or hanging straight down
Hair can be black, or hair can be red
Curled into ringlets all over your head.

Hair grows slowly.....

Tie it in ribbons, tie it in bows
Cut it off short and wait till it grows
Wear it in dreadlocks, wear it in plaits
Or cover it over in different hats.

Hair grows slowly...

Hair can be short, hair can be long
It can be fine or thick and strong
It can be curly, framing your face
It can be smooth or all over the place

Hair grows slowly...

Don't bother me

Don't bother me, I have some things to do
Don't bother me, I have to tie my shoe
Don't bother me, I'm standing like a tree
Spin like a top, I can't stop
Don't bother me

Don't bother me, I have to hurry by
Don't bother me, I'm learning how to fly
Don't bother me, I'm buzzing like a bee
Roll down the hill, can't keep still
Don't bother me.

Don't bother me, I'm thinking something nice
Don't bother me, I'm sliding on the ice
Don't bother me, I'm singing 'Toodle-dee'
Boat on the bay, sailing away
Don't bother me
