Bobbing up and down like this

Sons of the sea, bobbing up and down like this
Sailing the ocean, bobbing up and down like this
They may sail their ships my lads, bobbing up and down like this
But they can't beat the boys of the old brigade, bobbing up and down like this

Searching the ocean, bobbing up and down like this
They care not for wind or rain, bobbing up and down like this
For they rob the gold on the Spanish Main, bobbing up and down like this.

The bear went over the mountain

The bear went over the mountain, the bear went over the mountain
The bear went over the mountain to see what he could see
But all that he could see, but all that he could see
Was the other side of the mountain, the other side of the mountain
The other side of the mountain was all that he could see.

London Bridge is falling down

London Bridge is falling down, my fair lady

How shall we build it up again, up again, up again
How shall we build it up again, my fair lady?

Silver and gold will be stolen away.....

Build it up with wood and clay.....
Wood and clay will wash away.....

Build it up with iron and steel.....
Iron and steel will bend and bow.....

Build it up with stone so strong.....
Stone will last for ages long.....

Any Old Iron

Any old iron, any old iron, any any old old iron
You look neat, talk about a treat, you look dapper from your napper to your feet
Dressed in style, brand new tile and your father's old green tie on
But I wouldn't give you tuppence for your old watch chain
Old iron, old iron

Wind the bobbin up

Wind the bobbin up, wind the bobbin up
Pull, pull, clap, clap, clap
Point to the ceiling, point to the floor
Point to the window, point to the door
Clap your hands together 1,2,3
Put your hands upon your knee

We're doing it right

This is the game and we do it all the time We do it to the music, sitting in a line
Listen to the words just to hear what they say
Then we do the actions, that's the way to play

Sway to the left, sway to the right
Do it all together, 'till we get it right
Sway to the left, sway to the right
We're doing all the actions and we're doing them right

So now the game has started and we must move along
Before we make another move we listen to the song
So listen to the words just to hear what they say
And then we do the actions, that's the way to play

Do it all together, 'till we get it right
Nod to the left, Nod to the right
We're doing all the actions and we're doing them right

The game is really moving we're getting into gear
The sound is really grooving let's listen and we'll hear
Do the actions to the music just as we say
It's a really great game the only way to play

Point to the left, point to the right
Do it all together, 'till we get it right
Point to the left, point to the right W
e're doing all the actions and we're doing them right

This is the game and we do it all the time
We do it to the music, sitting in a line
Listen to the words just to hear what they say
Then we do the actions, that's the way to play

Clap to the left, clap to the right
Do it all together 'till we get it right
Clap to the left, clap to the right
Do it all together 'till we get it right
Sway to the left point to the right
Do it all together, 'till we get it right
Nod to the left, clap to the right
We're doing all the actions and we're doing them right!
