If you're gonna travel far

If you're gonna travel far to a planet or a star, there is one thing that you need, it's fundamental
To get you off the ground at twice the speed of sound a rocket is really quite essential
We can build it today and then we'll fly away, take a trip to Mercury or Mars
It might make a bang and the odd scary clang but soon we'll be flying round the stars.

Oh yeah, we're gonna take ourselves a space ride and watch as the stars slide by
Oh yeah we're gonna take ourselves a space ride, take a trip and watch the worlds go by

We will build it tall and thin out of corrugated tin, springs and things and spare parts,
With knobs light and dials it will fly for miles and miles, if we get it all to start

If we finish it today, we'll be on our way, do you want to come along for the ride?
It might make us choke with the sparks and the smoke, but it's guaranteed to stupefy!

Oh yeah, we're gonna take ourselves a space ride and watch as the stars slide by
Oh yeah we're gonna take ourselves a space ride, take a trip and watch the worlds go by

If you're gonna travel soon to a planet or the moon, there is one thing that you need, it's fundamental
To get you off the ground at twice the speed of sound a rocket is really quite essential
If we finish it today, we'll be on our way, take a trip to Mercury or Mars
It might make a bang and the odd scary clang but soon we'll be flying round the stars.

Oh yeah, we're gonna take ourselves a space ride and watch as the stars slide by
Oh yeah we're gonna take ourselves a space ride, take a trip and watch the worlds go by!

La Cucaracha

La Cucaracha, La Cucaracha, running up and down the house
La Cucaracha, La Cucaracha, quiet as a little mouse
La Cucaracha, La Cucaracha, running up and down the house
La Cucaracha, La Cucaracha, quiet as a little mouse

Then one day when cook was baking, wondered he, what is she making?
For it looked so appetising, with the batter slowly rising
To the edge he started skipping, then he found that he was slipping
In the pie so hot and blazin', now he's just another raisin!

La Cucaracha, La Cucaracha, running up and down the house
La Cucaracha, La Cucaracha, quiet as a little mouse
La Cucaracha, La Cucaracha, running up and down the house
La Cucaracha, La Cucaracha, quiet as a little mouse

La Cucaracha, La Cucaracha, just the same as you and I

He got the jitters, the sweets and bitters
Lived and loved and said 'Goodbye!'

Any Old Iron

Any old iron, any old iron, any any old old iron
You look neat, talk about a treat, you look dapper from your napper to your feet
Dressed in style, brand new tile and your father's old green tie on

Old iron, old iron

John Brown's Baby

John Brown's baby has a cold upon his chest, John Brown's baby has a cold upon his chest,

Song Twisters

Song twisters, tongue twisters, words that can be really hard to say
Set them to a rhythm and you might be forgiven if the words might be as easy as the day

You can alliterate the garden gate and jumble words that all sound great
Until your tongue gets tied up in a knot
Your brain goes numb inside your head, you can't remember what you've said,
If your teeth fall out, then it's time to stop!

Song twisters, tongue twisters, words that can be really hard to say
Like a rascal round a rugged rock and Peter Piper with a pot,
The words might be as easy as the day

She'll be coming round the mountain

She'll be coming round the mountain when she comes,
She'll be coming round the mountain when she comes
She'll be coming round the mountain, coming round the mountain,
Coming round the mountain when she comes.
