We re doing it right

This is the game and we do it all the time We do it to the music, sitting in a line  
Listen to the words just to hear what they say  
Then we do the actions, that's the way to play

Sway to the left, sway to the right  
Do it all together, 'till we get it right  
Sway to the left, sway to the right  
We're doing all the actions and we're doing them right

So now the game has started and we must move along  
Before we make another move we listen to the song  
So listen to the words just to hear what they say  
And then we do the actions, that's the way to play

Nod to the left, Nod to the right  
Do it all together, 'till we get it right  
Nod to the left, Nod to the right  
We're doing all the actions and we're doing them right

The game is really moving we're getting into gear  
The sound is really grooving let's listen and we'll hear  
Do the actions to the music just as we say

Point to the left, point to the right  
Do it all together, 'till we get it right  
Point to the left, point to the right  
We're doing all the actions and we're doing them right

This is the game and we do it all the time  
We do it to the music, sitting in a line  
Listen to the words just to hear what they say  
Then we do the actions, that's the way to play

Sway to the left point to the right  
Do it all together, 'till we get it right  
Nod to the left, clap to the right

Jump and Shout

When the music's really slow and the sound is very low  
You wanna turn it up and let go  
But as it all speeds up and you can't get enough  
You wanna let it out and jump and shout

Everybody's gotta jump and shout, everybody's gotta turn around  
Everybody's gotta jump and shout all day long  
When you hear the music play you wanna dance all day  
Come on and jump and shout all day long

Feel the music in the air, it's all about being there  
Everybody wants to know come on let's go  
And when you feel the sound that makes the world go round  
Then you can let it out let's jump and shout

Everybody's gotta jump and shout, everybody's gotta turn around  
Everybody's gotta jump and shout all day long  
When you hear the music play you wanna dance all day  
Come on and jump and shout all day long

When they say cool it down you'll hear those red hot sounds  
You'll want to turn it up and dance along  
Cos when the music plays you'll wanna dance all day
