Oh I do like to be beside the seaside

Oh I do like to be beside the seaside

Oh I do like to be beside the sea

Oh I do like to stroll along the prom prom prom

Where the brass bands play, 'Tiddly om pom pom'

Oh just let me be beside the seaside

I'll be beside myself with glee

There are lots of girls, besides I should like to be beside

Beside the seaside, beside the sea

The Grand Old Duke of York

The Grand Old Duke of York, he had ten thousand men

He marched them up to the top of the hill and he marched them down again

And when they were up they were up and when they were down they were down

And when they were only half way up they were neither up nor down

Early one morning

Early one morning just as the sun was rising

I heard a maiden singing in the valley below

'O don't deceive me, O never leave me

How could you treat a poor maiden so!

You are my sunshine

Hark don't you, hark don't you

Pitter patter raindrops, pitter patter raindrops

I'm wet through, so are you

The bonny blue eyed sailor

Oh there came to our village a bonny blue eyed sailor
And he gave me a kiss and he went to sea
Now the butcher, the baker, the cobbler and the tailor
Oh they all want to marry me

Now the butcher has land and the baker he has money
And the tailor has satin and corduroy
Now the cobbler has bees and I'm very fond of honey
But I'll wait for my sailor boy

I'll be mute as a mouse I'll be quiet as a quaker
Till his ship lands at anchor in Plymouth bay
When the cobbler the tailor the butcher and the baker
All shall dance on my wedding day

Mummy's taking us in the car car

Mummy's taking us in the car car, Mummy's taking us in the car car,
Mummy's taking us in the car car, she's gonna take us for a ride

Daddy's taking us in the car car, Daddy's taking us in the car car,
Daddy's taking us in the car car, he's gonna take us for a ride

Granny's taking us in the car car, Granny's taking us in the car car,
Granny's taking us in the car car, she's gonna take us for a ride

Grandad's taking us in the car car, Grandad's taking us in the car car,
Grandad's taking us in the car car, he's gonna take us for a ride

We're all going riding in the car car, We're all going riding in the car car,
We're all going riding in the car car, we're all going for a ride.

Zum Gali Gali

Zum gali gali gali, zum gali gali, zum gali gali gali zum
Zum gali gali gali, zum gali gali, zum gali gali gali zum

Pioneers must work every day, from dawn till day is done
From dawn till day is done, there is work for everyone
Zum gali gali gali, zum gali gali, zum gali gali gali zum
Zum gali gali gali, zum gali gali, zum gali gali gali zum

Pioneers will sing and dance, dance the hora in a ring
Dance the hora in a ring, with their best girls dance and sing
Zum gali gali gali, zum gali gali, zum gali gali gali zum
Zum gali gali gali, zum gali gali, zum gali gali gali zum

Pioneers will work for peace, from dawn till day is done

From dawn till day is done, true peace for everyone.
Zum gali gali gali, zum gali gali, zum gali gali zum
Zum gali gali gali, zum gali gali, zum gali gali zum

Twinkle Twinkle Little Star

Twinkle twinkle little star how I wonder what you are
Up above the world so high, like a diamond in the sky
Twinkle twinkle little star how I wonder what you are

In the dark blue sky you keep, while you through my curtains peep
And you never shut your eye, 'till the sun is in the sky
Twinkle twinkle little star how I wonder what you are

She sells sea shells

If she sells sea shells on the sea shore all the seashore shells you'll see
Blue, brown curly ones, yellow, red and twirly ones, sea shore shells you'll see
There are thin ones, fat ones, funny little black ones, seashore shells you'll see
Yes, she sells sea shells on the seashore shells she sells shells to me

Humpty Dumpty

Humpty Dumpty sat on a wall
Humpty Dumpty has a great fall
All the King's horses and all the King's men
Couldn't put Humpty together again!
