Little Green Frog

Little green frog, little green frog, where's your tail so small?
I swim in the river I swim in the river I have no tail at all.
Koo wak wak wak, Koo wak wak wak, Koo wak wak wak, wak
Koo wak wak wak, Koo wak wak wak, Koo wak wak wak, wak.

Little green frog, little green frog, where's your wing so small?
I swim in the river I swim in the river I have no wing at all.
Koo wak wak wak, Koo wak wak wak, Koo wak wak wak, wak
Koo wak wak wak, Koo wak wak wak, Koo wak wak wak, wak

Little green frog, little green frog, where's your house so small?
I swim in the river I swim in the river I have no house at all.
Koo wak wak wak, Koo wak wak wak, Koo wak wak wak, wak
Koo wak wak wak, Koo wak wak wak, Koo wak wak wak, wak

Five little ducks

Five little ducks went out to play
Five little ducks went swimming one day
Over the hills and far away
Mummy duck shouted 'quack, quack, quack,'
But only four little ducks came back
Only four little ducks came back

Four little ducks went swimming one day
Over the hills and far away
Mummy duck shouted 'quack, quack, quack,'
But only three little ducks came back
Only three little ducks came back

Three little ducks went swimming one day....etc
Two little ducks went swimming one day.....etc

One little duck went swimming one day
Over the hills and far away
Mummy duck shouted 'quack, quack, quack,'
But no little ducks came swimming right back

No little ducks went swimming one day
Over the hills and far away
Mummy duck shouted 'quack, quack, quack,'
And all the little ducks came swimming right back
Five little ducks came swimming right back

Hickory dickory dock

Hickory dickory dock, the mouse ran up the clock
The clock struck one, the mouse ran down
Hickory dickory dock.

CowKeeper's Song

Come cows to the sound of my calling, the night draws on the day is done
Come cows for the shadows are falling, I call you one by one

Come Daisy, come Maisy, come Buttercup, Marigold, beautiful Sue,
Come Milky and Silky and Flowering May, come you, come you.

Peter Perkins

I've got a cat, it's a jolly nice cat, his name is Peter Perkins
All he does is sit in the sun, that's his job while he's working

Peter Perkins, sitting in the sun.
He'll sit all day, no time to play, until his work is done.

I've got a cat, it's a jolly nice cat, his name is Peter Perkins
Sometimes he purrs or licks his fur, that's his job while he's working

Peter Perkins, sitting in the sun.
He'll sit all day, no time to play, until his work is done.

Brown Bear's Snoring

Brown bear's snoring, brown bear's snoring in his winter sleep
Brown bear's snoring, brown bear's snoring in his winter sleep
But snow and ice are melting, icicles are dropping
Brown bear's ears are listening and his eyes begin to peep.

The animals went in two by two

The animals went in two by two hurrah hurrah
The animals went in two by two hurrah hurrah
The animals went in two by two, the elephant and the kangaroo
And they all went into the ark, for to get out of the rain

The animals went in three by three.....the wasp the ant and the bumble bee
The animals went in four by four.....the great hippopotamus stuck in the door
The animals went in five by five.....the bees mistook the bear for a hive
The animals went in six by six.....the hyena laughed at the monkey's tricks

The bear went over the mountain

The bear went over the mountain, the bear went over the mountain
The bear went over the mountain to see what he could see
But all that he could see, but all that he could see
Was the other side of the mountain, the other side of the mountain
The other side of the mountain was all that he could see

I saw a tiger

I saw a tiger climb a tree to see what he could see, He saw.....

An elephant sitting on a toadstool, a kangaroo dancing on the roof
A hedgehog playing on a big bass drum and I swear it was the truth!

The tiger said to me, 'Look what I can see,' I saw..... etc
The tiger said to me, 'I'm sure that you'll agree we saw.....!'

Prehistoric Animal Brigade

Listen to the chorus of the Brontosaurus and the Stegosaurus down by the swamp
Along comes a dinosaur making such a loud roar, thumping with his feet going stomp
stomp stomp
Pterodactyl flapping, long beak clacking, big teeth snapping down from the tree
Here's a woolly mammoth, tusks all curly, joins the hurly burly, oh dear me!
What a noise, it's the boys of the prehistoric animal brigade (repeat)

Five little monkeys

Five little monkeys bouncing on the bed, one fell off and bumped his head
Mum phoned the doctor and the doctor said, 'No more Monkey-business bouncing on
the bed'

Four little monkeys.....etc

Honey Bee Song

A honey bee was busy one day dancing in figures of eight
He looked at the sun and started to run he didn't want to be late!

He went to the flowers, worked for hours putting pollen in his sack
He worked till late then took a little break and flew right back!

Farmer in the Fog

Down on the farm, early in the morning, the farmer wakes when it gets light,
Looks through the window, cannot see a thing and everything is turning white.

Where's my cows, where's my sheep?
I can't find all my animals and I can't sleep!
Where's my cat, where's my dog?
I can't see anything for blooming fog!

Down on the farm, in the afternoon, the farmer hopes the fog will lift
The animals need feeding, somewhere in the fields he's got a hundred bales to shift.

Where's my cows, where's my sheep?
I can't find all my animals and I can't sleep!
Where's my cat, where's my dog?
I can't do anything for blooming fog!

Down on the farm, later in the day, the sun comes out and the fog goes away
There are the animals, they soon are fed and now the farmer can go to bed.

There's my cows, there's my sheep?
I found all my animals now I can sleep!
There's my cat, there's my dog?
I don't want anymore blooming fog!

Swim Swan Swim

Swan swam over the lake, swim swan swim
Swan swam back again, well swum swan!

Cuckoo Cuckoo

The summer days are with us, cold winter's far away
I hear a voice so clearly calling through the day.

Cuckoo, cuckoo, a welcome song I hear

Telling everybody she's come again this year.

She's looking for a new nest to borrow if she may
And leave the eggs within it as she goes on her way

Cuckoo, cuckoo, a welcome song I hear
Telling everybody she's come again this year.

One elephant went out to play

One elephant went out to play upon a spider's web one day,
He found it such enormous fun that he called for another elephant to come!

Two elephants went out to play upon a spider's web one day,
They found it such enormous fun that they called for another elephant to come!

Three elephants went out to play.....etc

She swallowed the spider to catch the fly, she swallowed the fly I don't know why,
I hope she don't die!

There was an old lady who swallowed a bird, she swallowed a bird now have you heard,
She swallowed the bird to catch the spider, that wriggled and wiggled and jiggled inside her,

I hope she don't die!

There was an old lady that swallowed a cat, she swallowed a cat, imagine that!
She swallowed the cat to catch the bird, she swallowed the bird to catch the spider,

She swallowed the spider to catch the fly, she swallowed the fly I don't know why
