Crying, crying because she's all alone  
Rise up sandy girl dry your tears away  
Choose the one you love the best  
To come out to play

A tish oo! A tish oo!  
We all fall down

Point to the window, point to the door

Put your hands upon your knee

Twinkle Twinkle Little Star

Twinkle twinkle little star how I wonder what you are  
Up above the world so high, like a diamond in the sky  
Twinkle twinkle little star how I wonder what you are

When the blazing sun is gone, when he nothing shines upon  
Then you show your little light, twinkle twinkle all the night  
Twinkle twinkle little star how I wonder what you are

In the dark blue sky you keep, while you through my curtains peep  
And you never shut your eye, 'till the sun is in the sky  
Twinkle twinkle little star how I wonder what you are

Sing a song of sixpence

Sing a song of sixpence a pocket full of rye  
Four and twenty blackbirds baked in a pie  
When the pie was opened the birds began to sing  
Wasn't that a dainty dish to set before the King

The King was in his counting house counting out the money  
The Queen was in the parlour eating bread and honey  
The maid was in the garden hanging out some clothes  
When down came a blackbird and pecked off her nose.

She made such a commotion that little Jenny Wren  
Flew down into the garden and popped it on again  
Round and round the garden

Like a teddy bear  
One step, two steps,  
Tickle you under there!

Cock a doodle doo

Cock a doodle doo, my maid has lost her shoe  
My master's lost his fiddling stick and doesn't know what to do

Pop goes the weasel

Half a pound of tuppenny rice, half a pound of treacle  
Mix it up and make it nice, pop goes the weasel  
Up and down the City Road, in and out The Eagle  
That's the way the money goes, pop goes the weasel.

Starlight Starbright

Starlight, Star bright, the first star I see tonight  
I wish I may I wish I might have the wish I wish tonight

The North Wind doth blow

The North Wind doth blow and we shall have snow  
And what will poor Robin do then? Poor thing  
He'll sit in a barn and keep himself warm  
And hide his head under his wing, poor thing

Hot Cross Buns

Hot cross buns, hot cross buns.  
One a penny, two a penny, hot cross buns  
If you have no daughters, give them to your sons  
One a penny, two a penny, hot cross buns.

I hear thunder

I hear thunder, I hear thunder  
Hark don't you? Hark don't you?  
Pitter patter raindrops, pitter patter raindrops  
I'm wet through, so are you

Once upon a dream

Let him go, let him tarry

Farewell to cold winter, summer's come at last  
Nothing have I gained but my true love I have lost  
I'll sing and I'll be happy like the birds up on the tree  
For since he deceived me I care no more for he

Let him go, let him tarry, let him sink or let him swim  
He doesn't care for me nor I don't care for him

He wrote me a letter saying he was very bad  
I sent back a note so saying I was awful glad  
He wrote to me another saying he was well and strong  
But I care no more about him than the ground he walks upon

Let him go, let him tarry, let him sink or let him swim  
He doesn't care for me nor I don't care for him  
He can go and get another that I hope he will enjoy  
For I'm going to marry a far nicer boy

Jimmy Crack Corn

When I was young I used to wait at master's side and hand his plate  
And pass the bottle when he got dry and brush away the blue-tail fly

*Chorus*

Jimmy crack corn and I don't care, Jimmy crack corn and I don't care,  
Jimmy crack corn and I don't care, Ol' master's gone away

Then after dinner he would sleep, a vigil I would have to keep  
And when he wanted to shut his eye he told me 'Watch the blue-tail fly'

*Chorus*

One day he rode around the farm, the flies so numerous they did swarm  
One chanced to bite him on the thigh, the devil take the blue-tail fly

*Chorus*

The pony run, he jump and pitch and tumble master in the ditch.  
He died, the jury they wondered why, the verdict was the blue-tail fly

*Chorus*

They laid him 'neath a 'simmon tree, his epitaph is there to see  
'Beneath this stone I'm forced to lie, a victim of the blue-tail fly'

*Chorus*

Ol' master's gone, now let him rest they say that things are for the best  
I can't forget 'till the day I die ol' master and the blue-tail fly.

*Chorus*
